**ONE THING IS CERTAIN: THESE TWO ARE DIFFERENT.** THEY CREATE FASCINATING EXPERIENCES ON EACH DRIVE, RANGING FROM THE EXPLICITLY SPORTY TO THE EXCITINGLY SENSUAL. WITH A COMPACT DESIGN EVOKING A SENSE OF UNLIMITED FREEDOM AND PALPABLE ATHLETICISM THAT COMMUNICATES ITSELF BEFORE THE CAR HAS EVEN MOVED AN INCH. WITH AN INTERIOR THAT BOASTS PREMIUM MATERIALS AS WELL AS SUPREME WORKMANSHIP, ALONG WITH INNOVATIVE TECHNOLOGY EFFORTLESSLY CONNECTING ITS OCCUPANTS WITH THE OUTSIDE WORLD. DISCOVER PASSION. DISCOVER CHARISMA. **DISCOVER THE BMW 2 SERIES COUPÉ AND CONVERTIBLE.**

# HIGHLIGHTS.

Equipment 18 | 19

Discover more with the new BMW catalogue app. Now available for your smartphone and tablet.

■ Standard equipment □ Optional equipment

□ The BMW M240i in the optional Black Sapphire exterior colour with optional 18" M light alloy wheels Double-spoke style 719 M Jet Black.

□ The BMW 2 Series Convertible with Luxury Line in the optional Seaside Blue metallic exterior colour with 17" light alloy wheels Double-spoke style 724 in Ferric Grey.

□ The Adaptive LED headlights include low-beam and high-beam headlights and turn indicators with full LED technology. The equipment also features BMW Selective Beam, cornering lights, daytime running lights and Adaptive headlights with variable light control for excellent illumination of the road ahead and better visibility in the dark.

□ The Wind deflector<sup>4</sup> provides the driver and front passenger with effective protection from draughts at neck and shoulder-height, even when travelling at high speeds. When it is not needed, the collapsible sides can simply be folded together for easy and compact storage.

□ The Navigation system Professional, including hands-free facility, USB interface, 8.8" LCD colour display and Radio BMW Professional with a DVD player, comes with a three-dimensional map display and 20 GB of memory. The system is operated intuitively via the iDrive Touch Controller. Automatic map updates are available for three years without license fees.<sup>1</sup>

□ The Instrument cluster with extended contents: includes Info Display for the presentation of navigation instructions and various controls.

■ The mirror caps are painted high-gloss Black<sup>2</sup> instead of in the body colour. They emphasise the car's athletic look and create an individual appearance.

□ The 8-speed Steptronic Sport transmission offers incredibly sporty gear changes. Whether automatic or manual using gearshift paddles or gear lever.

□ The HiFi loudspeaker system Harman Kardon with external 360 watt amplifier in the luggage compartment consists of 12 speakers including two central subwoofers.

□ The Automatic air conditioning with two-zone control and automatic temperature regulation features separate controls for the driver and front passenger. It includes rear air vents, Automatic Air Recirculation (AAR), an active carbon filter, fogging and solar sensors, as well as automatic day/night adjustment in the display from white to orange.

□ The Parking Assistant<sup>3</sup> makes parking parallel and perpendicular to the road easier. The system works by measuring even tight potential parallel parking spaces while driving past at a low speed. When a suitable space has been found, the Parking Assistant takes over the steering, while the driver is responsible for selecting the correct gear, as well as pressing the accelerator and brakes.

□ The Rear view camera enables improved orientation when reversing at speeds below 15 km/h, for example when parking. It shows the area behind the car on the Control Display. Interactive track lines for measuring distance and turning circles assist the driver when manoeuvring, obstacles are marked in colour.

□ Why go without the features of your iPhone in your BMW when you can continue operating it as usual? The preparation for Apple CarPlay<sup>5</sup> gives you remote access to telephony as well as apps like iMessage, WhatsApp, TuneIn, Spotify and Apple Music. You can also use the voice button on the steering wheel to access Siri, Apple's voice assistant. The term is three years.

□ Telephony with wireless charging<sup>6</sup> includes a wireless charging dock and additional USB ports. A roof aerial connection improves mobile reception. Two mobile telephones and an audio player can be connected simultaneously via Bluetooth. Also included are: Bluetooth Office and the technical capacity for a WiFi hotspot.

<sup>1</sup> As part of BMW ConnectedDrive, in selected European countries, the system automatically updates maps for three years up to four times per year.

<sup>2</sup> Only in conjunction with Sport Line.

<sup>3</sup> Only available in conjunction with additional equipment.

<sup>4</sup> Only available for the BMW 2 Series Convertible.

<sup>5</sup> Compatibility and functionality of Apple CarPlay<sup>®</sup> is dependent on model year and the software status of the iPhone<sup>®</sup>. Selected vehicle data is transferred during use of the Apple CarPlay<sup>®</sup> preparation. Ongoing data processing is the responsibility of the mobile phone manufacturer.

<sup>6</sup> Supports inductive charging for Qi-compatible mobile phones. Special charging cases are available from Original BMW Accessories for selected smartphones that do not support the Qi standard for inductive charging. The WiFi hotspot fulfils all in-vehicle requirements for use of the internet with the maximum LTE standard. Usage is subject to cost.

Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information.

Optional and standard equipment vary according to country.

Optional and standard equipment vary according to country.

# ORIGINAL BMW ACCESSORIES.

Equipment 24 | 25

■ Standard equipment □ Optional equipment ○ Accessories

○ The Pro 2.0 rear bicycle rack is lightweight yet sturdy and can carry up to 60kg. Exceptionally easy to use, it carries two bicycles or e-bikes (can be extended to accommodate three bicycles). Its tilt function also allows easy access to the luggage compartment at all times.

○ The lockable racing bicycle holder enables the secure transport of racing bicycles with quick-release clamps. It is made of high-strength aluminium and features a simple clamping system for attaching bicycles. A separate front wheel holder is also available.

○ 19" light alloy wheels Star-spoke style 660 in Bicolour Orbit Grey, gloss-lathed on the visible side. TPMS complete summer wheel set with mixed-size run-flat tyres, wheel size 7.5J x 19 with tyre size 225/35 R19 88Y XL at the front and 8J x 19 with tyre size 245/30 R19 89Y XL at the rear.

○ The coat hanger slots into the separately available base (required) and can also be used outside the vehicle.

○ Precisely fitting protection against moisture and dirt in the front footwell. Coloured black with a red edge, the mats perfectly match the interior.

○ The key pouch, made from quality leather, protects from soiling and inadvertent pressing of buttons. In black and blue, to complement the M Sport package.

○ When the doors are opened, one of a choice of four graphics is projected on the ground adjacent to the vehicle, for perfect illumination of the entry area.

○ Anti-slip, water-resistant, durable mat for protecting the luggage compartment from dirt and moisture. In black/red; colouring complements the interior.

Discover the all-round innovative solutions on offer in many categories: exterior, interior, communication & information and the transport & luggage compartment. Your BMW partner will be happy to advise and can provide a special brochure detailing

the entire range of Original BMW Accessories. For more information at any time, go to [www.bmw.com/accessories](http://www.bmw.com/accessories)

All dimensions in the technical drawing are given in millimetres.  
The figures for performance, fuel consumption and CO₂ emissions refer to vehicles with standard transmission. Figures in [ ] are for vehicles with Steptronic transmission.

<sup>1</sup> The EC unladen weight refers to a vehicle with standard equipment and does not include any optional extras. The unladen weight includes a 90% full tank and a driver weight of 75 kg. Optional equipment may affect the weight of the vehicle, the payload and the top speed if the selected equipment has an impact on the vehicle's aerodynamics.  
<sup>2</sup> The actual total weight of the trailer must not exceed the maximum trailer load, taking into account the maximum tow bar download.  
<sup>3</sup> The data for fuel consumption, CO₂ emissions and energy consumption are determined in accordance with the measurements processes as defined by European Regulation (EU) 2007/715 in the applicable version. Data refer to a vehicle with base-level equipment in Germany, and the ranges account for differences according to the selected wheel and tyre size and the optional equipment and may change during the configuration process. Figures have been determined on the basis of the new WLTP test cycle and

All dimensions in the technical drawing are given in millimetres.  
The figures for performance, fuel consumption and CO₂ emissions refer to vehicles with standard transmission. Figures in [ ] are for vehicles with Steptronic transmission.

have been converted back into NEDC figures for comparability. [For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions.]  
<sup>2</sup> Performance data of petrol engines apply to vehicles using RON 98 fuel. Fuel consumption data apply to vehicles using reference fuels in accordance with EU Regulation 2007/715. Unleaded RON 91 and higher with a maximum ethanol content of 10% (E10) may also be used. BMW recommends RON 95 super unleaded petrol.  
<sup>5</sup> Electronically limited.

## BMW M240i COUPÉ:

M Performance TwinPower Turbo 6-cylinder in-line petrol engine, 250 kW (340 hp), 18" M light alloy wheels Double-spoke style 719 M Jet Black, exterior colour in Sunset Orange metallic, seats in Black Dakota leather, Aluminium Hexagon interior trim with high-gloss Black accent line.

**BMW 230i CONVERTIBLE WITH LUXURY LINE:**

BMW TwinPower Turbo 4-cylinder petrol engine, 185 kW (252 hp), 17" light alloy wheels  
Double-spoke style 724 Ferric Grey, gloss-lathed, exterior colour in Seaside Blue  
metallic, soft top in Brown silver effect, seats in Cognac Dakota leather with Brown  
highlights, Finition Stream fine-wood trim with Pearl-Gloss Chrome accent line.

The models illustrated in this brochure show the equipment and configuration options (standard and optional) for vehicles produced by BMW AG for the German market. Alterations in standard and optional equipment and the configurations available for the different models, as described in this brochure, may occur after 03/16/2018, the date when this brochure went to press, or according to the specific requirements of other markets. Your local BMW Partner is available to provide further details. Subject to change in design and equipment.
