² Part of the Driving Assistant Plus package.

³ Part of Navigation system Professional.

⁴ Requires BMW ConnectedDrive Services.

⁵ Standard for M40i and M40d.

HIGHLIGHTS.

Equipment 18 | 19

Discover more with the new BMW catalogue app. Now available for your smartphone and tablet.

■ Standard equipment □ Optional equipment

□ When open, the Panorama glass roof provides a great deal of fresh air. Closed, it creates a bright, light-flooded atmosphere in the interior. It opens and closes completely automatically at the push of a button or with the car key, and is equipped with slide and lift functions, roller sunblind and wind deflector.

□ The individually adjustable Sport seats for the driver and front passenger feature numerous manual adjustment options, including backrest width, fore-and-aft position, and the backrest and seat angle. Thanks to taller seat and backrest bolsters, and well-defined side bolsters, they provide excellent ergonomics and a high degree of lateral support.

■ The rear lights with their characteristic L-shape and lighting elements in full LED technology identify the vehicle as a BMW even in the dark.

□ The Instrument panel and door panels in Sensatec lend the interior of the vehicle a highly exclusive atmosphere.

□ The Multifunction instrument display¹ with Black Panel technology and a screen diagonal of 12.3" provides a highly impressive visualisation of the driving experience. Three different modes and their specific displays – each of them have their own colour scheme and graphic style – can be displayed in the instrument cluster: ECO PRO, COMFORT and SPORT..

□ BMW Connected+³ delivers a more seamless level of integration in your BMW and now offers an even larger selection of personalised services.

□ Upon arrival, you can use the "Door-to-door navigation" function³ to be guided from your parked car to your final destination by foot.

□ The equipment package Parking Assistant Plus¹ makes parking and manoeuvring the vehicle easier. It features Surround View including Top View, Remote 3D View, PDC as well as a lateral parking aid, the Active Park Distance Control (PDC), emergency braking function and the Parking Assistant with linear guidance that provides fully automatic parking both parallel and perpendicular to the road.

□ The full-colour BMW Head-Up Display² projects all information relevant to the journey directly into the driver's field of vision, thereby allowing them to fully concentrate on driving. Information such as the current speed, navigation directions, Speed Limit Info including no-overtaking indicator, along with telephone and entertainment lists are displayed.

■ The slight tinted heat/sun protection glazing reflects infrared radiation to prevent the interior from heating up.

□ The acoustic glazing on the front side windows complements the acoustic glazing on the front windscreen and reduces the level of noise for everyone inside the vehicle.

□ Telephony with wireless charging⁴ offers a comprehensive telephony package with Bluetooth connectivity and the technical capacity for a WiFi hotspot.

□ The equipment includes a built-in WiFi hotspot⁵ using the LTE standard, which allows for a paid Internet connection.

□ The BMW Individual extended leather trim Merino in Ivory White not only impresses with the outstanding quality of the hide, but also with masterfully crafted details such as seams in a contrasting colour and, available for the first time, Prisma stitching.

□ The BMW display key shows various information about the vehicle's status and allows selected functions to be controlled with an integrated touch display.

¹ Only available in conjunction with the Professional Navigation system.

² The information in the BMW Head-Up Display is not fully visible when viewed through polarised sunglasses. Content shown will depend on the equipment options chosen. Further optional equipment is required to display specific items.

³ Only available in conjunction with ConnectedDrive Services.

⁴ Inductive charging for Qi-compatible mobile phones is possible. Special charging cases are available from Original BMW Accessories for selected smartphones that do not support Qi inductive charging.

⁵ The WiFi hotspot enables in-vehicle use of the internet with the maximum LTE standard. Use is subject to cost. Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information.

EXTERIOR COLOURS.

[Colours] The colours printed above are intended to provide you with a first impression of paints and materials available for your BMW. Experience has shown, however, that printed images of paint, upholstery and interior trim colours cannot faithfully reproduce the actual appearance of the originals. We recommend therefore that you consult your BMW partner who will be able to show you original samples and assist with special requests.

All current colours and equipment are available for you to choose from. For further details, see www.bmw.de/konfigurator

¹ Available as standard for M Sport package and M Sport X package.
² Also optionally available for M Sport package and M Sport X package.
³ Exclusively available in conjunction with M Sport package and M Sport X package.

Please note that even normal long or short-term use can lead to permanent upholstery damage. This can be caused in particular by non-colourfast clothing.

The interior colour is dependent on the chosen upholstery colour.

¹ Only available in conjunction with sports seats.

² For base, only available in conjunction with seats with active seat ventilation.

³ Only available in conjunction with instrument panel Sensatec.

⁴ Only available in conjunction with BMW Individual headliner Anthracite.

⁵ Only available in conjunction with Ambient light.

⁶ For base, only available in conjunction with Door sill finishers with BMW Individual designation.

WHEELS AND TYRES.

Discover more with the new BMW catalogue app. Now available for your smartphone and tablet.

□ 21" M light alloy wheels Double-spoke style 718 M in Bicolor Cerium Grey matt, bright turned, with mixed tyres and run-flat properties, front 8.5J x 21 with 245/40 R21 tyres, rear 9.5J x 21 with 275/35 R21 tyres.⁶

□ 21" BMW Individual light alloy wheels V-spoke style 726 I in Bicolor Orbit Grey, bright turned, with mixed tyres and run-flat properties, front 8.5J x 21 with 245/40 R21 tyres, rear 9.5J x 21 with 275/35 R21 tyres.

□ 20" light alloy wheels Y-spoke style 695 Orbit Grey bright turned with mixed tyres, front 8J x 20 with 245/45 R20 tyres, rear 9.5J x 20 with 275/40 R20 tyres.⁸

□ 20" M light alloy wheels Double-spoke style 699 M in Bicolor Orbit Grey, bright turned, with mixed tyres, front 8J x 20 with 245/45 R20 tyres, rear 9.5J x 20 with 275/40 R20 tyres.^{1,2}

□ 20" M light alloy wheels Double-spoke style 787 M in Bicolor Orbit Grey, bright turned, with mixed tyres, front 8J x 20 with 245/45 R20 tyres, rear 9.5J x 20 with 275/40 R20 tyres.³

○ High-quality 20" BMW light alloy wheels Y-spoke style 695 in matt Jet Black. TPMS summer complete wheel set with run-flat mixed tyres.

□ 19" light alloy wheels V-spoke style 691 in Reflex Silver, wheel size 7.5J x 19 with 245/50 R19 tyres.

□ 19" light alloy wheels V-spoke style 692 in Bicolor Ferric Grey, bright turned, wheel size 7.5J x 19 with 245/50 R19 tyres.

■ 19" light alloy wheels Y-spoke style 694, Ferric Grey, wheel size 7.5J x 19 with 245/50 R19 tyres.⁴

■ 19" M light alloy wheels Double-spoke style 698 M in Bicolour Ferric Grey, bright turned⁷, wheel size 7.5J x 19 with 245/50 R19 tyres.⁵

□ 18" light alloy wheels Double-spoke style 688 Reflex Silver, wheel size 7J x 18 with 225/60 R18 tyres.⁹

□ 18" light alloy wheels turbine styling 689 in Bicolor Jet Black non-metallic, bright turned, BMW EfficientDynamics, wheel size 7J x 18, with 225/60 R18 tyres.⁹

¹ Only available in conjunction with M Sport package.
² Runflat tyres standard for M40i and M40d.
³ Only available in conjunction with M Sport X package.
⁴ Only available in conjunction with xLine.
⁵ Only available in conjunction with M Sport package and M Sport X package.

⁶ Exclusively for M40i and M40d.
⁷ Gloss-lathed no longer applies from 08/2018.
⁸ For M Sport X package also available with run-flat tyres.
⁹ Standard for xLine.

ORIGINAL BMW ACCESSORIES.

■ Standard equipment □ Optional equipment ○ Accessories

○ This contemporary roof box in Black with titanium silver side trims has a 420-litre capacity and fits all BMW roof rack systems. It can be opened from both sides and features triple central locking on each side which makes it easy to load and provides anti-theft locking.

○ The BMW Advanced Car Eye 2.0 is a highly sensitive full-HD camera that captures events in front of and behind the car, even when it is parked. In the event of disturbances and extraordinary movement outside the vehicle, the camera automatically records the situation in order to document possible accidents or (attempted) break-ins.

○ The perfectly fitted, durable all-weather floor mats with raised border and elegant design protect the front and rear footwell from moisture and dirt. They are black and feature a black X4 inlay.

○ Wireless charging case: for inductive charging of the Apple iPhone™ 6/6s. The case also doubles as a protective cover.

○ 21" BMW M Performance light alloy wheels Y-spoke style 701 M, in Bicolor black matt, gloss-lathed. Summer complete wheel set with run-flat mixed tyres.

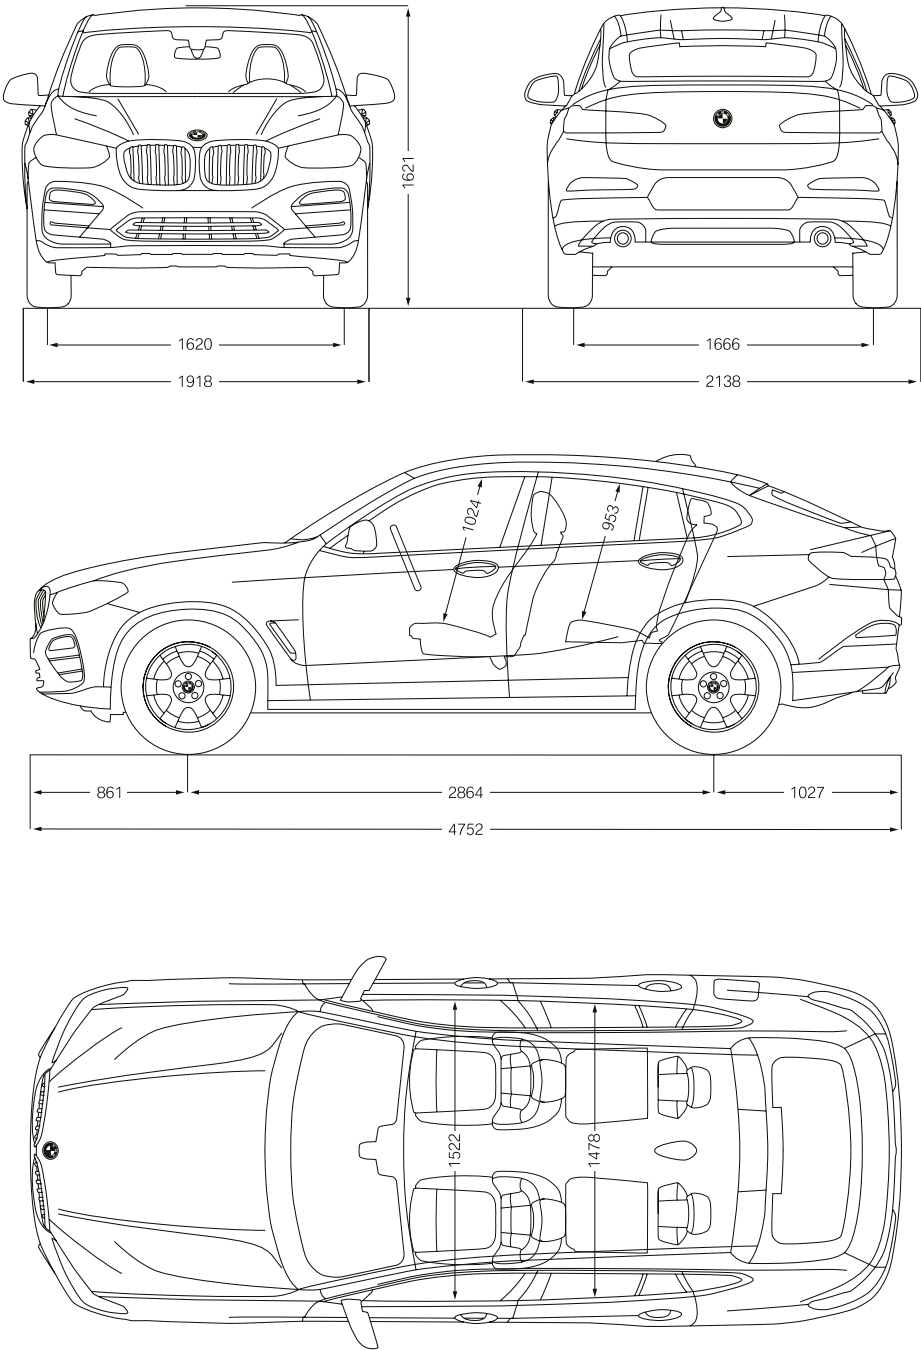

○ Meticulously hand-made from carbon fibre, the striking exterior mirror caps underline the vehicle's high-tech pedigree. Their dynamic design ensures an eye-catching premium look and adds an individual athletic touch.

Discover the wide range of innovative solutions available for the exterior and interior, communication & information, and for transportation & the luggage compartment. Your BMW Partner is on hand to advise you on the whole range of Original BMW Accessories

and can also provide you with a special accessories catalogue. For further information, please visit www.bmw.com/accessories

All dimensions in the technical drawings are given in millimetres. Performance, fuel consumption and CO₂ emissions figures refer to vehicles with standard transmission.

¹ The EC unladen weight refers to a vehicle with standard equipment and does not include any optional extras. The unladen weight includes a 90% full tank and a driver weight of 75 kg. Optional equipment may affect the weight of the vehicle, the payload and the top speed if the selected equipment has an impact on the vehicle's aerodynamics.

² The actual total weight of the trailer must not exceed the maximum permitted trailer load, taking into account the maximum tow bar download.

³ Electronically limited.

⁴ Performance data of petrol engines apply to vehicles using RON 98 fuel. Fuel consumption data apply to vehicles using reference fuels in accordance with EU Regulation 2007/715. Unleaded RON 91 and higher with a maximum ethanol content of 10% (E10) may also be used. BMW recommends RON 95 super unleaded petrol.

⁵ The data for fuel consumption, CO₂ emissions and energy consumption are determined in accordance with the measurements processes as defined by European Regulation (EU) 2007/715 in the applicable version. Data refer to a vehicle with base-level equipment in Germany, and the ranges account for differences according to the selected wheel and tyre size and the optional equipment and may change during the configuration process. Data for vehicles indicated with (7) have already been determined on the basis of the new WLTP test cycle and adjusted for comparability with NEDC. For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions.

BMW X4 M40i.

M Performance TwinPower Turbo inline 6-cylinder petrol engine, 260 kW (354 hp), 21" BMW M light alloy wheels Double-spoke style 718 M with mixed tyres, Flamenco Red brilliant effect exterior colour, Sport seats for driver and front passenger in 'Vernasca' Black leather with contrast stitching red, Aluminium Rhombicle interior trim finishers with Pearl Chrome accents, instrument panel in Sensatec black.

The models illustrated in this brochure show the equipment and configuration options (standard and optional) for vehicles produced by BMW AG for the German market. Alterations in standard and optional equipment and the configurations available for the different models, as described in this brochure, may occur after 03/16/2018, the date when this brochure went to press, or according to the specific requirements of other markets. Your local BMW Partner is available to provide further details. Subject to change in design and equipment.
